**SECTION 1**

**HEALTH SAFETY AND WELFARE POLICY**

Shardlow & Great Wilne Parish Council has adopted a health and safety policy to protect all of its employees, visitors, contractors, and to encourage safe working practices. This document explains the policy and the systems that have been set up, within the organisation, to make sure that the Policy is working.

Please read this document carefully, and make sure you understand it. If you want to discuss safety matters generally, or have a particular problem, you should consult the Clerk to the Council or Chair.

**STATEMENT OF HEALTH, SAFETY AND WELFARE POLICY**

Shardlow & Great Wilne Parish Council accepts its responsibility as an employer to pursue a policy which ensures, so far as is reasonably practicable, the health, safety and welfare of all employees, contractors, and others who may be affected by the council's activities, and declares its intention to meet the requirements of the Health and Safety at Work etc. Act 1974, The Management of Health and Safety at Work Regulations 1999 and all other relevant statutory provisions.

Shardlow & Great Wilne Parish Council will continue to ensure that its policy, legal obligations and experience are applied effectively throughout the council where it has legal obligations.

The council recognises that accident prevention is an essential element of good working practice and that its pursuit benefits the efficiency of the council's operations, as well as the welfare of its employees. It is recognised that effective prevention of injury and damage requires commitment at every level.

**OBJECTIVES**

**Shardlow & Great Wilne Parish Councils' objectives in this respect are to:-**

1. Provide and maintain workplaces which are without risk to the health and safety of any employee, contractor, visitor.
2. Provide a working environment of a standard which will ensure the health and safety of its employees and other persons who are likely to be affected by the council's activities.
3. Assess the risks to the health and safety of employees and of anyone else who could be affected by its work activities, record the significant findings of such assessments and make them available to employees, contractors. The compilation and implementation of practical codes of safety and health practice and conduct will be based on these risk assessments.
4. Provide, where appropriate, equipment, tools and plant which are safe and without undue risk to health.
5. Institute procedures for the reporting of defective equipment or other hazardous conditions, and for the rectification of such defects.
6. Make proper arrangements for the safe use, handling and storage of all articles and substances used by the council.

**1 RISK ASSESSMENT**

The Management of Health and Safety at Work Regulations impose wide ranging responsibilities on Shardlow & Great Wilne Parish Council including the requirement to assess the risk to health and safety to employees and others arising out of Shardlow & Great Wilne Parish Council undertaking.

Shardlow & Great Wilne Parish Council will carry out risk assessments in accordance with the Approved Code of Practice (ACOP) and published guidance.

General risk assessments will be carried out on all council workplaces and on all activities organised by the council. Risk Assessments will be carried out using a team approach by involving employees who are familiar with the work areas.

Risk assessments will be used to determine where action is required to achieve or maintain adequate control of risks. Any action taken will be in accordance with the principles of prevention detailed in the Management of Health and Safety at Work Regulations. Namely by;

- Avoiding the risk.
- Evaluating and reducing the risk as far as reasonable practicable.
- Combating the risks at source.
- Adapting the work to the individual.
- Adapting to technical progress.
- Replacing the dangerous with non or less dangerous.
- Implementing safe systems of work.
- Providing adequate personal protective equipment.
- Providing appropriate information, instruction & training.

**The Clerk is responsible for:-**

- a) Ensuring that all appropriate risk assessments are carried out, recorded and reviewed periodically.
- b) Ensuring that risk assessments are suitable and sufficient and accessing competent health & safety advice where required.
- c) Ensuring that action is taken to adequately control risks to health & safety identified by the assessment.
- d) Implementing, monitoring and reviewing preventative and protective measures.
- e) Ensuring that employees are kept adequately informed of risks to health & safety and control measures provided.
- f) Ensuring that contractors or visitors who may be exposed to risks are adequately informed of the risks and any precautions or preventative measures.
- g) Holding copies of risk assessment documents.
- h) Ensuring that appropriate information, instruction and training is provided.

**All employees have a duty to:-**

- a) Take reasonable care for their own and others health and safety.
- b) Use all work items in accordance with training and advice.
- c) Co-operate with their employer with regard to health and safety matters.
- d) Report accidents and dangerous incidents.
- e) Notify their employer of any shortcomings in health and safety arrangements.

Shardlow & Great Wilne Parish Council's risk assessments are held centrally by the Clerk. Copies of risk assessments are provided to relevant employees.

**2 CONTRACT WORKERS**

It is Shardlow & Great Wilne Parish Council's policy that when contractors are used, they will represent the Council in the same way as direct labour and are required to work to the council's policy.

Shardlow & Great Wilne Parish Council is responsible for the appointment of competent contractors. Competence is assessed by checking relevant insurance policy cover, qualification and experience, contractor references and establishing safe methods of work before work commences. Records of competency checks are retained as per record keeping policies.

Arrangements are made to ensure that they are acquainted with, and adhere to, the council's safety policy, and any other procedure or special instructions which may be in force relevant to specific operations. In particular, work is monitored periodically for safety and quality. Where appropriate a formal record of checks carried out is retained.

A copy of the safety policy and other relevant information is given to the contractor upon acceptance of terms and conditions of the contract agreement.

Adequate supervision will be necessary to complement the provision of information, instruction and training if required ensuring that the council's policy is strictly adhered to.

The council's approved accident reporting form shall be used for the reporting of all accidents whether to property, employee or general public there are to be no exceptions.

Further to the above it is a requirement to report all accidents, however minor. Serious accidents or major incidents should be reported immediately to the Clerk by telephone.

Should a contractor use a sub-contractor for any works it is a requirement under the Health and Safety at Work etc. Act 1974 for sub-contractors to conduct their work activities in such a way as to ensure that other persons are not exposed to risks to their health and/or safety.

**3 ACCIDENT REPORTING**

When an accident/incident occurs, injuries must receive prompt attention, and any immediate danger should be alleviated. The Council accident report form and or the RIDDOR accident report form will be completed by the Clerk.

The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR) and the Social Security Act 1975 require organisations to record accidents/incidents and also to investigate and report to the nearest office of the Health and Safety Executive (HSE) accidents which result in the following:-

- Fatalities.
- Specified major injuries (see RIDDOR leaflet).
- Employees being absent from work for more than 3 days.
- Reportable industrial diseases (see RIDDOR leaflet).

All accidents are investigated and preventative measures implemented where appropriate. Any relevant risk assessments are also reviewed by Shardlow & Great Wilne Parish Council.

**4 EMPLOYEE'S RESPONSIBILITIES**

All employees are instructed at induction, of the requirements to report all accidents/near misses occurring to themselves, members of the public, volunteers or contractors and to bring the accident to the attention of the Clerk to the Council or Chair. Employees must also ensure that everything possible is done to minimise damage, particularly injury to persons.

Therefore:-

- Obtain first aid treatment for the injured person.
- Ensure that the accident/incident is reported to the Clerk.
- Record the accident/incident by filling in the accident book and completing a copy of the council's incident report form.

**5 EMPLOYER'S RESPONSIBILITIES**

The Chair liaising with the Clerk to the Council as appropriate, is to:-

- Establish whether the circumstances or the result of the accident/incident are immediately reportable under RIDDOR as a major injury or as dangerous occurrence.
- Investigate the accident/incident and ensure that all necessary steps have been taken to prevent any immediate further injury or damage to property.
- Take what steps are necessary to remedy the cause of the accident/incident to prevent a reoccurrence.
- Ensure that if an injured employee is absent from work, or unable to carry out their normal work for more than 3 days (not including the day of the accident) Form F2508 is completed and sent to the nearest office of the Health and Safety Executive (HSE) within 10 days of the accident.
