

Why not open YOUR garden?

Gardens open Sunday 18 June, 11.00 to 5.00

- Private preview for all Open Gardeners Friday 16 June
- with refreshments and a train ride
- Raise money for local charities
- A good reason to get round to the jobs you keep putting off!

We have enough gardens already to stage the event but more are always welcome

Your garden can be large or tiny, manicured or “relaxed”

If you enjoy spending time there chances are others will too
